

**UCLA Alumni Band
Conflict of Interest Code
Adopted June 22, 2024**

Per University of California Support Group regulations:

A support group shall maintain a conflict of interest policy no less stringent than that of the University (see Conflict of Interest Code: <http://www.ucop.edu/general-counsel/legal-resources/conflict-of-interest-code.html>).

Trustees, directors, officers, staff members and volunteers of a support group shall disqualify themselves from making, participating in making, or in any way attempting to use their official positions to influence a decision in which they have or would have a financial interest. Business transactions involving a support group and the personal or business affairs of any support group trustee, director, officer, staff member or volunteer shall be approved in advance by formal action of the governing body.

As a director and/or officer of the UCLA Alumni Band I have reviewed this policy and agree to abide by its regulations during my term(s) of office.

If I become aware of any potential or actual conflict of interest, I will advise the Chairman of the Alumni Band Board of Directors or the President of the Alumni Band as soon as practicable.
